UKE TAB BY *MILEY CYRUS*

[Intro]

D A Em G
Mmm, mmm, mmm

[Verse 1]

D A Em
Flowers in hand, waiting for me
G D
Every word and poetry
A Em
Won't call me by name, only baby
G Bm
The more that you give, the less that I need

[Pre-Chorus]

(Bm) A G
Everyone says I look happy
Gm X2
When it feels right

[Chorus]

D A
I know that you're wrong for me
Em G
Gonna wish we never met on the day I leave
D A
I brought you down to your knees
Em G
'Cause they say that misery loves company
D A
It's not your fault I ruin everything

Warm-up:

- strumming and transitioning exercise
 - Switch to the chord that is said
- Time to practice strumming and transitions on own

Going through the song:

- single strums together as group
- One after the other

Strumming pattern: D UUDU

- we will start with single strums to get the transitioning
- Can be played with single strums. It's a sweeter song
- Play strumming pattern once on every chord unless it says otherwise

And it's not your fault I can't be what you need
Baby, angels like you can't fly down to hell with me
I'm everything they said I would be
La, la, la
I'm everything they said I would be

[Verse 2]

I'll put you down slow, love you goodbye
Before you let go, just one more time
Take off your clothes, pretend that it's fine
A little more hurt won't kill you tonight

[Pre-Chorus]

Mother says you don't look happy
Close your eyes

[Chorus]

I know that you're wrong for me
Gonna wish we never met on the day I leave
I brought you down to your knees
'Cause they say that misery loves company
It's not your fault I ruin everything
And it's not your fault I can't be what you need
Baby, angels like you can't fly down to hell with me
I'm everything they said I would be
